

NACTA 2017

Livestock Management Resource Listing

Textbooks:

Handbook of Livestock Management-Battaglia

Scientific Farm Animal Production-Field/Taylor

AI & Embryo Transfer Books (ABS/GENEX/Etc would all be beneficial)

Livestock Feeds and Feeding-Kellems/Church

Beef Production and Management Decisions-Field

**If you do not have these exact textbooks, similar versions or other titles will probably be sufficient as this contest is designed to be based off of common topics that could be found in various locations
