Dear Students,

It is almost the end of the Fall 2019 semester and we want you to finish strong. The Diversity Programs Office (DPO) is always here to offer you support and guidance through your academic career, as well as, personal life. We have created the “Diverse Tools for Success” program to assist all College of Agriculture students. Our goal is to provide you with strategies to help you be the best student you can be, present you with career opportunities, and offer you an array of resources across campus.

The information below is to serve as a resource for your success. If you are having problems, you may contact myself or my graduate assistant, Lonnie Hobbs, Jr. Feel free to come by our office located in 139 Waters Hall, or call us at (785) 532-5793. Best wishes and remember, You can do it!
