
8:00-8:20 AM  Meet with Sandy Klein, Assistant Dean
8:20-8:30 AM  Prepare for Seminar
8:30- 9:15 AM  Seminar - (25 minute seminar followed by 20 minutes for questions)

Presentation Prompt:
The College of Agriculture is looking to create stronger connections with the following target populations:
• High school or community college business educators/counselors
• High school students in sophomore and junior years
• Historically underrepresented students

Please select one of these target populations and prepare a strategic plan for targeted recruitment. What programs, content or experiences you would include and what your vision would be to engage your selected target population.

9:15 – 9:30 AM  Break
9:30-10:15 AM  Meet with Search Committee
10:15-10:45 AM  Meet with current College of Agriculture Students
10:45-11:15 AM  Meet with Ag Academic Programs and College of Ag Diversity Programs Staff
